VASE INSTRUMENTS
PREMIUM QUALITY INSTRUMENTS

About Us

VASE INSTRUMENTS was established in 2001 and Oldest manufacturer and exporter of vast rang of Instruments. It comprises of an integrated manufacturing facility, employing skilled craftsmen to produce broad range of professional Instruments. Its manufacturing process is running under the supervision of expert technicians.

Management

Skilled employees are its main source for innovation and development of new products. They are working in safe and open environment where every worker contributes continuously to expand the company business. Qualified persons are hired to make use of the progressive technology. The company is also providing active support to its employees to improve their skills, creativity power and social development.

Our Aim

VASE INSTRUMENTS & Company has earned the credit to get the entire satisfaction of the customers. By providing

Quality Products
Fair Prices
Timely Deliveries
Product Range

VASE INSTRUMENTS produces different types of Instruments. Our Main line of the business is General Surgical Instruments, Dental, Plastic Surgery Instruments, ENT Instruments, Gynecology & Ophthalmic Instruments. Each Instrument manufactured by

VASE INSTRUMENTS has personally been supervised and monitored to make sure that the Instruments are perfect. In other words, continuous research and development has allowed this company to make superior quality products.

Quality Standards

VASE INSTRUMENTS has achieved the certification of Sialkot Chamber of Commerce, Surgical Instruments Manufacturer Association Of Pakistan, NTN, CE Mark, ISO 13485-2016. These quality assurance standards are maintained throughout the different production process by its modern testing devices and trained staff which is the main hallmark to maintain the quality of its products.
