PREMIUM QUALITY INSTRUMENTS

Our Range of Best Selling Instruments

DENTAL INSTRUMENTS CATALOGUE

Company profile

VASE INSTRUMENTS is a leading manufacturer and supplier of all kinds of Dental & Surgical Instruments, Orthodontic tools, Implants, Scissors and wide range of Orthodontic Pliers & Cutters to worldwide. All of our instruments are ISO 9001:2008, ISO 13485:2012 and CE mark certified in accordance with the Medical Devices Directive. We also provide OEM services and customized packaging to our valuable customers. We offer special discounted prices for our distributors.

Having our manufacturing unit in Sialkot (Pakistan), world's renowned city for the manufacturing of Dental & Surgical Instruments. We worked hard to build our reputation in this evolving industry and our satisfied customers are our strength. Our products are manufactured using the best quality stainless steel as AISI, ASTM and DIN standard's recommended which is imported from Germany, Japan and France. The key to our success is our quality assurance. We use the right material for the right products.

Health and Safety Policy, Environment Policy always adopted as per international standard.

Quality Policy:-

- Improved Quality
- Cost Reductions
- Working for Customer satisfaction
- Customized products for special needs customers
- Package designing and innovation
- New products or existing product enhancements

VASE INSTRUMENTS prices are very competitive and very flexible with customers provide maximum co-operation. We aim to provide excellent customer service and we promote a 'can do' culture. We aspire to being the easiest company in the market to deal with for any and all of your surgical instrument's needs.

Our customers are our most important asset and **VASE** endeavors to provide a personalized customer service experience. We aim to provide the highest level of customer service to the International Healthcare market and are proud that we have built and continue to maintain solid relationships with our customers and distributors.

At all times we are professional, honest, ethical and reliable.

Thanks and Best Regards,
VASE TEAM.

Our Scalars

Compare our scalars and curettes with the best in the industry and you will immediately recognize we are equal in every way but one... price. Note the deep precision knurling for better tactile feel. The same high-grade stainless steel tips, the same light weight (under 18 grams) for less hand fatigue, the same professional craftsmanship, and surpassing the highest industry standards. Of course, any manufacturer can make these claims, but we guarantee and certify ours.

- High-polish mirror finish tips.
- Manufactured within the guidelines of the FDA quality assurance system for good manufacturing practices.
- Highest grade German stainless steel, razor sharp, durable tips. Rockwell hardened to 60 RHc.
- 27 of the most popular designs from Graceys to McCallis to Columbias, and many European patterns.
- All instruments are guaranteed against defects in material and workmanship.

- All instruments bear the CE mark, emblematic of the European Community's highest standards.
- Customer satisfaction guarantee, too!
- Less than 20 grams ... Lightweight for less hand fatigue.
- Manufactured to the most exacting standards so the 50th instrument you buy is exactly like your first.
- You decide ... Why pay more for the same high-quality instruments?
